

# YOUR CAREER JOURNEY

## Commencement to Achievement: Stage 3/ Year 3

### Step 17: Mock Interviews and Presentation Skills

**Actions:** Participating in mock interview sessions, honing presentation skills, receiving constructive feedback.

### Step 16: Professional Development Seminars

**Actions:** Participate in a diverse range of on-campus and off-campus seminars to stay up-to-date on industry trends, technological advancements, and career opportunities. Engage with guest speakers, such as industry experts and thought leaders, to gain valuable insights. Seminars also offer networking opportunities to connect with peers and potential mentors while fostering a commitment to continuous learning and skill enhancement.

### Step 15: Employability Profile and CV Development

**Actions:** Creating a comprehensive employability profile, refining CV and cover letter writing skills, showcasing achievements.

### Step 18: Skill Building and Reflective Practice

**Actions:** Participating in advanced skill-building workshops, engaging in self-reflection exercises, setting personal development goals.

### Step 19: Annual Career Day Event Preparation

**Actions:** Prepare your CV and craft a compelling elevator pitch. Register early for the event, research attending employers, and participate in practice sessions. Plan your attire, develop a networking strategy, and prepare questions. Pack essential materials, practice interviewing, and focus on building confidence. Create a follow-up plan to maximize the benefits of the event.

### Step 22: Transition to Graduate Life

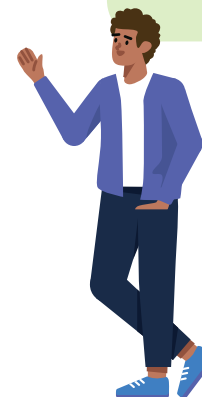

**Actions:** Exploring post-graduation options, attending seminars on workshops on career skills, applications, etc.

### Step 21: Internship Search and Application

**Actions:** Seeking internship opportunities aligned with career goals, learning application techniques, preparing for interviews.

### Step 20: Alumni mentoring

**Actions:** Registering to our alumni platform and connecting with alumni and mentors.
