

EXECUTIVE MBA

CITY College, University of York Europe Campus and the Faculty of Economics and Management of the University of Strasbourg welcome all applicants.

Through all our recruitment and admissions activities, we are committed to ensuring that no prospective or existing student is treated less favourably on the grounds of age, race, nationality, ethnic origin, faith, disability, HIV status, sexual orientation, gender, marital or parental status, political belief or social or economic class.

ADMISSION REQUIREMENTS

Selecting candidates for admission to the Executive MBA programme (EMBA) is a critical decision. We believe that there is more to selecting a candidate than just considering scores, GPA's and other merely numerical performance indicators. For this reason, admission decisions for the EMBA take into account **three** primary areas of evaluation:

1. **Professional Experience** (length, breadth, and depth of professional and managerial experience; potential for career development and progression)
2. **Academic Qualifications** (a bachelor's degree from an accredited institution or previous postgraduate level studies with a satisfactory level of achievement)
3. **Additional Relevant Criteria** (potential contribution to the learning experience of the programme; motivation; ability and willingness to commit the required time and energy to the programme; community service and professional activities; support from an applicant's employing organisation).

Furthermore, it should be noted that in admitting selected groups of high-potential managers coming from the same company or industry (instead of individual applications), admission recommendations are based on both class composition and individual criteria. Class diversity in job function and industry classification is an objective.

Nevertheless, there are certain **standard admission requirements**:

- Undergraduate degree from an accredited institution (does not have to be a business degree)*
- A minimum of three – five years of professional work experience
- Verified English Language Competence**

NOTES:

* A small number of applicants may be accepted without an undergraduate degree, provided they have substantial experience in managerial posts and they meet all other requirements.
