# Professional Development Seminar

**Monday, 20 November 2023**

**17:00 - 19:00, MP Room, 5th Floor, Sofou Bldg**

## Modern development environment with Docker

**Mr. Leonard Shtika**

Chief Technology Officer (CTO) at Tessera Multimedia S.A.  
& Lecturer at CITY College, University of York, Europe Campus

This seminar aims to empower participants with the knowledge and skills needed to integrate Docker into their development workflow, ensuring faster project delivery and consistent application performance across different stages of the software development lifecycle. Through real-world examples and practical demonstrations, this session promises to equip attendees with valuable insights into leveraging Docker for optimal development speed and efficiency.

- Participation is compulsory for Level 3 CS students
- Upon completion of the seminar series, certificates will be provided to attendees
